

### **Professional Development Coordinator:**

The Professional Development Coordinator is a dynamic and pivotal role focused on enhancing the knowledge and skills of our workforce. This person is responsible for helping us identify the learning needs, designing educational programs, and organizing professional learning experiences that align with Higher Ground's mission and vision.

The Professional Development Coordinator will work closely with the Content and Curriculum Coordinator to translate our in-person learning to video content. With a keen understanding of adult learning principles and a passion for continuous improvement, their duties may also extend to evaluating the effectiveness of professional learning programs. The Professional Development Coordinator is instrumental in cultivating an environment of learning and development, ultimately contributing to the organization's efficiency, effectiveness, and impact.

Full Time/Benefits Eligible

Salary Range: \$50,000 - \$60,000
